

The Corporation of the Town of Hawkesbury would like to inform you of the latest news in the collection of recyclables for the area. In partnership with the R.A.R.E. Recycling Center in Alexandria and Montebello Packaging Inc. we are proud to announce that the aluminum tubes are as recyclable as the aluminum beverage cans!!!

Therefore let's make sure, from now on, to include them in your blue boxes everyday.

To have more information concerning this program, please contact the project manager at 613-632-0106 ext. 2299.

Recycling in Hawkesbury!

DID YOU KNOW:

Each of our actions has the power to change the future?

Do you know how?

By thinking globally and acting locally...

Reduce, Reuse,
and don't forget,

Recycle!!!

You still don't have access to a blue box, it's been damaged, stolen, or you're simply new in the area?

Please, come and see us at the Town Hall, door C, and we will give you the first blue box, and a second one can be purchased for \$8, taxes included. If you have any more questions and would like to obtain a list of all items that can be recycled, call us at 613-632-0106, ext. 2020. It will be our pleasure to answer all of your questions.

For any more information on the recycling in Hawkesbury and the area, please contact M. Yvon Sauvé at 613-674-2170.
