Subject: BIA Sign / Richelieu Park / Main St.

Hello Nicole,

The BIA is in its planning stages for the installation of our large sign structure to be installed in the Park location.

In our meeting with the first sign contractor yesterday, he advised that the flagpole and monument (Richelieu Club) would need to be removed/ relocated

in order for the sign structure to be installed in the most advantageous space on that parcel of land.

The BIA is requesting permission for the removal / relocation of the flag pole and monument if in fact they impede the sign structure.

The BIA would pay for the removal / relocation of the flag pole and monument.

Your reply to this matter at your very earliest convenience would be appreciated.

Thank you.

Corey Assaly / BIA
