Dear community Member,

RE: Invitation to the women's walk: *Take Back the Night*

We wish to invite you to the women's walk: ***Take Back the Night***.

This walk is an annual event happening all over the world. Our goal is to raise awareness about violence against women, more particularly sexual assault.

You have been identified as a leader in this community and we encourage you to be a champion for the cause. Simply share this invitation with your colleagues, team, friends and family. Come walk with others who like you, support the fight against violence towards women and young girls of our region.

In partnership with the town of Hawkesbury and in collaboration with the Coalition to end violence against women of PR, Maison Interlude House, Valoris for Children and Adults of Prescott-Russell, the Victim Witness Assistance Program and the OPP, the Centre Novas - CALACS francophone de Prescott-Russell has established a lasting tradition. We invite all women and young girls of our community to participate in the **11th** women's walk in Prescott-Russell. This will take place **September 19th starting at 6:00 pm. The walk will start from the Robert Hartley Sports Complex 425 Cartier Blvd, Hawkesbury, ON., K6A 1V9.**

Refreshments will be served and door prizes drawn after the walk.

Register before September 17, 2018 by calling the Centre Novas at 1-866-772-9922.
