THE CORPORATION OF THE TOWN OF HAWKESBURY**ZONING BY-LAW NO. 20-2018**

Being a By-law for prohibiting the use of land for or except for such purposes as may be set out in the By-law and for prohibiting the erection, location or use of buildings or structures for or except for such purposes as may be set out in the By-law and for regulating the type of construction and the height, bulk, location, size, floor area, spacing, character and use of buildings or structures within the Municipality.

WHEREAS the Municipal Council of the Town of Hawkesbury hereby repeals By-law 20-2012 and all amendments thereto are hereby repealed upon coming into force of this By-law.

AND WHEREAS authority is granted under Section 34 of the *Planning Act*, R.S.O. 1990, c.P.13 as amended to the Council of the Corporation of the Town of Hawkesbury to pass this By-law.

NOW THEREFORE, the Council of the Corporation of the Town of Hawkesbury enacts as follows:

1.0 ADMINISTRATION

1.1 TITLE

This By-law shall be referred to as the “Town of Hawkesbury Zoning By-law” or “By-law No. 20-2018”.

1.2 LAND SUBJECT TO BY-LAW

The provisions of this By-Law shall apply to all the lands falling within the municipal boundaries of the Corporation of the Town of Hawkesbury as identified on the attached schedules which form an integral part of this By-law.

1.3 ADMINISTRATION

This By-law shall be administered by the Planning Director or such other person as may from time to time be designated by Council. No permit for the use of land or for the erection or use of any building or structure or the approval of an application for any municipal license within the jurisdiction of the Council shall be issued or given where the proposed building, structure or use would be a violation of any provision of this By-law.

1.4 INTERPRETATION

The provisions of this By-law are minimum requirements except where a maximum requirement is specifically identified.

The Interpretation Act, R.S.O., 1990 applies to this By-law.

Definitions are given in this By-law to aid in the understanding and implementation of the true spirit, intent and meaning of the By-law. They are not to be used to avoid an obligation imposed by the By-law or any requirement enacted in a substantive provision of the By-Law. Where terms are not defined, common dictionary definitions shall apply.

For purposes of this By-law the word “shall” means a mandatory requirement.

This By-law makes reference to the Town of Hawkesbury Official Plan and should be viewed and interpreted in combination with the Official Plan.

Conversion of metric numbers into imperial is provided for general reference only. Where a discrepancy occurs between the metric number and the approximate imperial conversion, the metric value will constitute the requirement.

1.5 CONFORMITY AND COMPLIANCE WITH BY-LAW

Save as otherwise provided in this By-law, no land, or building, or structure shall be used for any purpose except as hereafter stated in this By-law and in conformity with all of the applicable provisions of this By-law.

Notwithstanding anything in this By-law, no person shall reduce any lot in dimensions, either by conveyance or other alienation of title of any portion thereof, if the effect of such action is to cause the original, adjoining, remaining or new building, structure, lot or use of land to be in contravention of any provision of this By-law. However, no person shall be deemed to have contravened any provision of this By-law by reason of the fact that any part or parts of any lot has or have been conveyed to or acquired by any Public Authority.

Any use or structure which had been deemed to be a non-conforming use or structure in a predecessor By-Law shall be deemed to be non-conforming if also in violation of any of the provisions of this By-Law.

1.6 CHANGE IN USE

If the use of a property is altered or changed to a different use, which is permitted within the Zoning By-law, the property or use shall be subject to all relevant provisions of the Zoning By-law.

1.7 OBLIGATION

Nothing in this By-law shall relieve any person from the obligation to comply with the requirements of the Ontario Building Code Act, and any other By-laws of the Town of Hawkesbury and provincial and federal legislation.

1.8 UNLAWFUL USES

Any use established in violation of a predecessor of this By-law shall be deemed to have been established unlawfully.

1.9 INSPECTION OF LAND, BUILDINGS AND STRUCTURES

Subject to Section 49 of the Planning Act R.S.O., 1990, the Planning Director or any other officer or any person as may from time to time be designated by Council or any person acting under his or her instructions, and upon producing proper identification, is hereby authorized to enter, at all reasonable times, upon any property or premises for the purpose of carrying out his duties under this By-law.

Except under the authority of a search warrant issued by a provincial judge or justice of the peace, an officer or any person acting under his or her instructions, shall not enter any room or place actually being used as a dwelling unit without requesting and obtaining the consent of the occupier, first having informed the occupier that the right of entry may be refused and entry made only under the authority of a search warrant.

1.10 ENFORCEMENT AND PENALTIES

Every person who contravenes any of the provisions of this By-law is guilty of an offence and on conviction thereof shall forfeit and pay a penalty for each such offence and every such penalty shall be recoverable under the Provincial Offences Act, R.S.O., 1990 and amendments thereto.

Every person who contravenes By-law 20-2018 and, if the person is a corporation, every director or officer of the corporation who knowingly concurs in the contravention, is guilty of an offence and on conviction is liable:

- on a first conviction to a fine of not more than \$25,000; and

- on a subsequent conviction to a fine of not more than \$10,000 for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted.

This By-law shall come into force in accordance with Section 34 of the Planning Act RSO 1990 and Ontario Regulation 545/06.

Where a corporation is convicted under subsection of a contravention, the maximum penalty that may be imposed is:

- on a first conviction a fine of not more than \$50,000; and
- on a subsequent conviction a fine of not more than \$25,000 for each day or part thereof upon which the contravention has continued after the day on which the corporation was first convicted.

When a person who has been convicted of an offence under this By-law, any court of competent jurisdiction thereafter, may, in addition to any other penalty imposed on the person convicted, issue an order prohibiting the continuation or repetition of the offence or the doing of any act or thing by the person convicted directed towards the continuation or repetition of the offence.

The requirements of this By-law are severable, if any requirements of this By-law are held invalid, the application of such requirements to other circumstances and the remainder of this By-law shall not be affected.

1.11 EFFECTIVE DATE

This By-law shall come into force on the date of enactment by Council subject to Section 34(19) of the *Planning Act*.

1.12 REPEAL OF FORMER BY-LAWS

On the day that this By-law comes into full force and effect, By-law 20-2012 as amended, of the Town of Hawkesbury passed under Section 34 of the Planning Act, R.S.O., 1990 shall hereby be repealed.

The adoption of this By-law shall not prevent any pending or future prosecution of, or action to abate any existing violation of the said By-law if the violation is also a violation of any of the provisions of this By-law.

1.13 SCHEDULES TO BY-LAWS

The following Zoning Maps, which are attached hereto, form part of this By-law;

Zoning Map – Schedule A
Zoning Map – Section 1
Zoning Map – Section 2
Zoning Map – Section 3
Zoning Map – Section 4
Zoning Map – Schedule B

1.14 BY-LAW AMENDMENTS

Where an application is made to amend Zoning By-law 20-2018, the application shall be accompanied by the following required information consistent with Ontario Regulation 545/06, Schedule 1 for a complete application.

COMPLETE APPLICATION

A complete application shall include all of the following elements, subject to confirmation by the Planning Director:

1. A signed "Confirmation of Pre-Consultation Form"
2. A fully completed and signed Zoning By-law Amendment Application Form
3. Submission of the required application fees
4. Submission of all required Plans and Drawings
5. Submission of a Planning Rationale Report
6. Submission of any required technical reports of studies.

These studies or information may include, but are not limited to:

- A servicing options report;
- A hydrogeological study;
- A drainage and/or stormwater management report;
- An Environmental Impact Assessment for a natural heritage feature or area;
- An Archaeological Assessment;
- An influence area study for development in proximity to a waste management facility or industrial use;
- A traffic study;
- A Phase I Environmental Study and if necessary further investigation as required;
- A noise and/or vibration study;
- A source water protection study;
- A minimum separation distance calculation for an industrial use or a waste management facility;
- Confirmation on sufficient reserve sewage system capacity and sufficient reserve water system capacity.
- Vegetation Inventory and /or Tree Preservation Plan.
- Heritage Resource Assessment

The Planning Director will evaluate each application within ten (10) working days of its submission to determine whether the application is complete or whether additional information is required. The applicant will receive formal correspondence from the municipality within ten (10) business days of receipt of said application. The timelines for review will commence on the date when the application is considered complete.

1.15 MINOR VARIANCE

The Committee of Adjustment for the Town of Hawkesbury, upon application to the Committee, may authorize a minor variance in accordance with Section 45(2) of the Planning Act from the provisions of this By-law, in respect of any land, building or structure or the use thereof, as in the opinion of the Committee, is desirable for the appropriate development or use of the land, building or structure, if in the opinion of the Committee the general intent and purpose of this By-law and the Town of Hawkesbury Official Plan are maintained.

MINOR VARIANCE APPROVAL

Where the Committee of Adjustment of the Town of Hawkesbury or the Local Planning Appeals Tribunal (or the former Ontario Municipal Board) has authorized a Minor Variance from the provisions of By-law 20-2012, in respect of any land, *building* or *structure* and the decision of the Committee of Adjustment of the Town or the Local Planning Appeals Tribunal (or the former Ontario Municipal Board) authorizing such Minor Variance has become final and binding, the provisions of this By-law, as they apply to such land, *building* or *structure*, shall be deemed to be modified to the extent necessary to give effect to such Minor Variance and the land, *building* or *structure* shall be deemed to comply with this By-law in so far as it relates to the approved variance.

1.16 TRANSITION

Where a building permit has been lawfully issued for the construction of a building prior to the effective date of this By-law and where the yard requirements for said building are found to be in contravention by no more than 0.03 m, the non-conforming yard shall be deemed to conform with the requirements of this By-law.

2.0 GENERAL PROVISIONS

No person shall use any lot or erect, alter or use any building or structure, unless serviced by municipal services, except in accordance with the following provisions.

2.1 ACCESSORY BUILDINGS, STRUCTURES AND USES

Where a lot is devoted to a permitted use, customary accessory uses, buildings and structures are authorized provided that:

GENERAL

The use of any accessory building for human habitation is not permitted except where specifically listed as a permitted use.

Any building or structure which is attached to the main building shall not be considered an accessory building or structure.

LOCATION

All accessory uses, buildings and structures to a permitted principal use shall be located on the same lot and in the same zone as the permitted principal use.

No accessory Buildings, Structures and Uses shall be located closer to the front lot line or the exterior side lot line setback of the zone where it is located.

Except where specified otherwise, no accessory Buildings, Structures and Uses shall be located closer than 1.0 m (3.2 ft.) to any interior side lot line, rear lot line or closer than 2m (6.4 ft.) to the main building.

Air conditioners shall not be permitted within the minimum interior side yard setback.

HEIGHT

The height of accessory buildings or structures shall not exceed 3.8m in Residential Zones, and shall not exceed 4.8m in all other zones. For height exception, refer to Section 2.19 Height Exception.

LOT COVERAGE

Accessory uses, excluding outdoor swimming pools, shall not cover more than 10% in any residential zone or more than 20% of the total lot area in any non-residential zone.

The maximum gross floor area of any accessory building may not exceed 100 m² (1,076 sq. ft.) in a residential zone or 300 m² (3230 sq. ft.) in any non-residential zone, except in industrial zones. This shall be calculated as part of the maximum lot coverage permitted in any zone.

Despite Section 2.1 above, a boat house, shed, dock or wharf may be located in the front yard, side yard or rear yard where a lot abuts a navigable waterway, provided that the approval of any governmental authority having jurisdiction has been obtained and provided that the boat house, dock or wharf is located not closer than 3.0 m (9.8 ft.) to the nearest adjacent lot line and does not encroach on adjacent frontage when the lot boundaries are extended into the water.

SPECIAL PROVISIONS FOR TEMPORARY ENCLOSURES

Notwithstanding any other provision in this By-law, temporary vehicle enclosures, commonly known as 'Tempos', may be permitted in accordance with the following special provisions:

1. The installation does not take place before **October 15** of the current year and the removal is completed by **April 15** of the following year.

2. When located in a front or exterior side yard, the temporary car enclosure is a minimum of 1 m from the front or exterior side lot line, provided that the temporary car enclosure does not create a visibility issue that leads to safety concerns.
3. When located in an interior side yard, the temporary car enclosure is a minimum of 0.3m from the interior side lot line.

2.2 AUTO SERVICE STATION, COMMERCIAL GARAGE, GASOLINE BAR, CAR WASHING ESTABLISHMENT

Despite any other provisions contained in this By-law, for all zones within which an automobile service station, gasoline bar, and/or car washing establishment is permitted the following shall apply:

GASOLINE PUMP ISLAND LOCATION

The minimum distance between the gasoline pump island, pumps and their related overhead canopies and any pump shall be 5.0 m (16.4 ft.) from any lot and street line. Where the lot is a corner lot, no portion of any gasoline pump island shall be located closer than 3 m (9.8 ft.) to a sight triangle.

The minimum distance between the gasoline pump island, pumps and their related overhead canopies and any pump shall be 7.5 m from any lot line abutting a residential zone.

SEPARATION OF PROPANE TANKS

No person shall erect or use a tank for the storage of propane for sale at an automobile service station or gas bar or on any other property where vehicle fuel may be dispensed unless a license has been obtained from the TSSA and the location is in compliance with the requirements under the Ontario Propane Code.

ACCESS AND EGRESS

The combined width of any entrance or exit measured at the front lot line or exterior side lot line shall not be greater than 9 m (29.5 ft.).

The minimum distance of any access from a street intersection shall be 12 m (39.4 ft) and the minimum distance between accesses shall be 7.5 m (24.6 ft.).

The minimum distance between an interior side lot line and any driveway shall be 3 m (9.8 ft.).

BULK STORAGE TANKS

No bulk storage tank shall be permitted unless it is double walled or is placed in an impervious containment facility which is capable of containing the entire contents of the fuel storage tank in the event of a spill. This provision shall not apply to domestic fuel oil tanks located inside a dwelling.

2.3 BOUNDARY INTERPRETATION

When interpreting zone boundaries, as illustrated on Zoning Maps Schedules A , B and Sections 1 to 4 and forming an integral part of this By-law, the following provisions shall apply:

- a) A boundary indicated as following a highway, street or lane shall be the centre line of such highway, street or lane;
- b) A boundary indicated as following a watercourse, creek, stream or the right-of-way of a railway or an electrical, gas or oil transmission line shall be the centre line of such watercourse, creek, stream or right-of-way;
- c) A boundary indicated as following the shoreline shall follow such shoreline, and in the event of a change in the shoreline, the boundary shall be construed as moving with the actual shoreline;
- d) A boundary indicated as approximately following lot lines shown on a Registered Plan of Subdivision, or Reference Plan, or Town lot lines shall follow such lot lines.

Where a boundary is indicated as approximately parallel to a street line or other feature as stated in clause a), b), or c) above, and the distance from such street line or other feature is not indicated,

and clause d) above is not applicable, such boundary shall be construed as being parallel to such street line or other feature, and the distance there from shall be determined according to the scale shown on the applicable Schedule.

A boundary indicated as following the limits of the Municipality shall follow such limits.

In the event a dedicated street, lane or right-of-way shown on any Schedule forming part of this By-law is closed, the property formerly in such street, land or right-of-way shall be included within the zone of the adjoining property on either side of such closed street, lane or right-of-way. If a closed street, lane or right-of-way is the boundary between two or more different zones the new zone boundaries shall be the former centre line of the closed street, lane or right-of-way.

2.4 BUILDING PERMIT ISSUED

The provisions of this By-law shall not apply to prevent the erection or use for a purpose prohibited by this By-law of any building or structure, the plans for which have, prior to the date of passing of this By-law, been approved by the Chief Building Official, so long as the building or structure when erected is used and continues to be used for the purpose for which it was erected and provided the erection of such building or structure is commenced within one year after the date of the passing of this By-law, and such building or structure is completed within a reasonable time after the erection thereof is commenced.

2.5 BUILDINGS TO BE MOVED

No building or structure shall be moved within the limits of the Town or shall be moved from outside the Town into the Town unless the building or structure is a permitted use and satisfies all the requirements of the zone in which it is to be located and then only after a permit has been obtained from the Chief Building Official.

2.6 CHANGE OF USE AND CERTIFICATE OF OCCUPANCY

A use of lot, building or structure which, under the provisions hereof is not permissible within the zone in which such lot, building or structure is located, shall not be changed except to a use which is permissible within such zone or through an amendment to this By-law.

No person shall change the use of any land, building or structure without having first applied for and obtained a Certificate of Occupancy. A Certificate of Occupancy is not permission to construct or to occupy the land or building prior to obtaining any permission, license, permit, building permit, authority or approval required by any By-law of the Town or by any other law in force at the time. The applicant is responsible for submitting a separate application to the Building Department for a Certificate of Occupancy.

2.7 COMMUNITY HUB

The Town of Hawkesbury supports the development of community hubs throughout the Town as a means of optimizing the use of public service facilities, providing access to social, recreational and cultural services, and integrating service delivery.

2.8 CONFLICTING STANDARD

The available building area left on a lot after the required minimum yards have been established may not necessarily be greater than or equal to the maximum lot coverage permitted. Where there is a discrepancy, the more restrictive standards shall apply.

Where there are any other conflicting requirements in this By law, the more restrictive standards shall apply unless specifically stated otherwise.

Where any provision of this By-law conflicts with the provisions of any regulation, By-law or statute of any other government authority, the higher or more stringent standard shall prevail.

2.9 CUMULATIVE STANDARD

Despite anything contained in this By-law, where any land, building or structure is used for more than one purpose, all provisions of this By-law relating to each use shall be complied with.

2.10 NOXIOUS USES

No use shall be permitted within the Town of Hawkesbury, which, by its nature or by the materials used therein is declared under the Health Protection and Promotion Act and Regulations thereunder, and The Environmental Protection Act.

2.11 DAY NURSERY

Private home day nurseries are permitted in all zones where residential uses are permitted as a principal use. Such day nurseries shall comply with the provisions of the Child Care and Early Years Act, 2014.

2.12 DRIVE THROUGH OPERATIONS

A drive through facility may be provided in conjunction with any restaurant, bank or bank machine, a gasoline pump at a gas bar or service station, a pharmacy or drug store or with any use that is associated with a shopping centre.

2.13 ESTABLISHED BUILDING LINE IN BUILT-UP AREA

Notwithstanding the yard setback provisions of the By-law to the contrary, where a permitted building is to be erected on a lot in a built-up area, such permitted building may be erected closer to the street line or the centreline of the street as the case may be if the existing buildings(s) on the adjacent

lot(s) is (are) closer to the street line or centreline than the By-law provisions permit.

For a proposed building where buildings on both adjacent lots are closer than By-law provisions would permit, setback and yard provisions are calculated as follows: the total of the sum of the two existing adjacent setbacks or yard with the sum divided by two.

For a proposed building where building on one adjacent lot is closer than By-law provisions would permit, setback and yard provisions are calculated as follows: the sum of the existing adjacent setback or yard plus the adjacent By-law requirement, with the sum divided by two.

For a proposed building where buildings on both adjacent lots meet By-law requirement, normal By-law requirements shall apply.

2.14 EXCEPTION ZONE

Where a zone symbol is followed by the suffix "-X" this shall mean that a specific exception is being made to one or more of the standards of that zone for a specific area governed by the By-law. All other provisions of the By-law shall continue to apply.

A number after the "-X" (e.g. R-X1) indicates the order of the various exception zones.

2.15 EXISTING LOTS

Where additional land is added to an existing lot which complies with this By-law (such as a lot addition or road allowance closure), the new lot configuration is deemed to conform to the By-law.

Where there is a developed existing lot that does not meet the minimum setback requirements of the zone, construction of additions or accessory structures shall be permitted provided that the proposal complies with all other provisions of the By-law. Where a land acquisition by any public authority results in a change to the configuration of

a lot that before said change conformed to the By-law but will not conform when land acquisition is complete, such lot is deemed to comply.

2.16 FENCES

Any fence erected hereafter within the municipality shall conform to the provisions of any Fence By-law as may from time-to-time be enacted under the Municipal Act.

2.17 FRONTAGES ON A PUBLIC STREET OR ROAD

No person shall erect any building or structure in any zone unless the lot upon which such building or structure is to be erected has sufficient frontage on a public road or street maintained year round, as per the requirements of the applicable zone except for the following:

- A communications facility;
- A public utility;

EXCEPTION FOR EXISTING AGREEMENTS

Despite anything else in this By-law to the contrary, where a maintenance agreement exists between the municipality and a land owner and is registered on title, frontage on an unassumed, unopened or unmaintained public right-of-way shall be deemed to conform to the provisions of this section, provided that such frontage is in conformity with the standards set out in the corresponding zone or any exception thereto.

FRONTAGE ON MORE THAN ONE STREET

Where a lot fronts on more than one street and is not a corner lot, the requirement for front yards contained in this By-law shall apply to each yard abutting the street in accordance with the provisions of the zone or zones in which such lot is located.

FRONTAGE ON A LANEWAY

Where a lot has frontage only on a laneway, the yard requirements shall apply in accordance with

the provisions of the zone or zone in which such lot is located. The yard abutting the laneway shall be considered the front yard for setback purposes for accessory garages.

FRONTAGE ON WATER

Where a lot fronts on a watercourse and a street, the frontage requirement for setbacks contained in this By-law shall apply to both the water frontage and the street frontage. All other setback requirements shall continue to apply. Despite the foregoing accessory structures are allowed as per the requirements of section 2.1.

2.18 GROUP HOMES

Group Homes shall be permitted in all zones that allow residential uses provided that they are licensed by the Province.

2.19 HEIGHT EXCEPTIONS

Where height limitations are set forth in this By-law, such limitations shall not apply to water tanks, flag poles, lightning rods, lighting standards, ventilators, skylights, mechanical equipment penthouses, air conditioning ducts, antennae, satellite dishes, church steeples, belfries, clock tower, chimneys, electrical supply facilities and communications towers. Notwithstanding the foregoing, limitations prescribed by the Federal Ministry of Transport or practices recommended by the Ministry with respect to height limitations shall prevail.

Notwithstanding the above and any other provisions of this By-law, on the lands shown shaded and in heavy black lines on Schedule A, no building or structure and no accessory building or structure shall be permitted to extend in height above the elevation of the helicopter flight paths for the helipad, located at 500 Industriel Boulevard, pursuant to the regulations of the Ministry of Transport.

2.20 HOLDING ZONES

Any parcel or area of land in any zone on Schedule A of this By-law may be further classified as a holding zone with the addition of the suffix "h". The intent is to signify Council's approval in principle to future development of the land for the purposes indicated by the symbol. The holding classification added to a given zone shall restrict development of the land until such time as the demand for the development of the land is sufficient to warrant immediate development.

Where a holding zone applies, no lands shall be used and no buildings or structures shall be erected or used for any purpose other than uses existing on the date of passing of this By-law. Any change from the holding status shall require an amendment to this By-law as per regulation 545/06 of the Planning Act R.S.O. 1990 and the Corporation may require that the applicant enter into an agreement for the development of the land prior to the amendment being adopted.

2.21 HOME OCCUPATION

Home occupation shall be permitted within a residence or an accessory building or both for the same home occupation.

Home occupation shall be permitted as an accessory use in residential zones in accordance with the following provisions:

- The home occupation shall be clearly secondary to the residential use.
- The business is conducted by a person(s) residing on the premises.
- The business shall be duly licensed by the municipality.
- The maximum area of the home occupation shall be equal to, or less than, 25% of the total floor area of the dwelling up to a maximum of 30 m² (322 ft²).
- Where instruction is carried on, no more than 5 pupils are in attendance at one time.

- The activity shall not create or become a nuisance, in particular, in regard to noise, odour, vibration, dust, fumes, traffic or parking outside the property limits.
- No mechanical or electrical equipment is used except that which is reasonably consistent with the residential use of the dwelling.
- No stock-in-trade is sold or rented, or kept for sale or rent upon the premises unless such items were created by the residents or unless kept for interior display or demonstration purposes only. No retail is permitted.
- There shall be no display or advertising, other than a legal sign of not more than 0.3 m² in size, to indicate that a Home Occupation is being conducted in the dwelling unit.
- No outside storage is permitted.

2.22 ILLUMINATION

Illumination of buildings and grounds shall be permitted provided that:

- Illumination shall not cause direct or indirect glare on a street that may interfere with traffic or pedestrian safety.
- Illumination shall not consist of a colour or be so designed or located that it may be confused with traffic signals.
- Illumination shall not cause direct or indirect glare on adjacent properties.

OUTDOOR ILLUMINATION

Outdoor illumination of buildings, structures or yards including parking areas shall be permitted provided that such illumination does not interfere with street traffic and that the light is directed away from adjacent lots and further provided that such illumination shall not consist of a colour or be so designed or located that it may be confused with traffic signals. Outdoor illumination components shall be illustrated on a Site Plan, where applicable.

2.23 INTAKE SOURCE PROTECTION

The South Nation Source Protection Plan, 2014 identifies a Vulnerable Area within the Township of Champlain, which is part of the Hawkesbury Intake Protection Zone (IPZ), and contains policies to protect municipal drinking water sources. The overlay includes properties within the Vulnerable Area identified as Hawkesbury IPZ-2 on Zoning Map – Schedule B.

a) Source Water Protection

The properties within the Vulnerable Area identified as Hawkesbury IPZ-2 on Zoning Map- Schedule B are subject to policies from the South Nation Source Protection Plan.

b) Hawkesbury IPZ-2 Overlay, Prohibited Uses

The following uses are prohibited within the areas identified as Hawkesbury IPZ-2 on Zoning Map – Schedule B of this By-law:

1. Sewage works (combined sewer discharge, stormwater pond effluent, industrial effluent discharges, sewage treatment bypass, sewage treatment effluent)
2. Agricultural activities (application of ASM (agricultural source material), storage of ASM, application of NASM (non-agricultural source material), storage of NASM, grazing – ASM generation, pasturing – farm animals)

2.24 LANDSCAPED OPEN SPACE

Any land used for landscaped open space shall be included in the calculations of lot area, yard requirements, etc. as set forth in this By-law.

Provisions for landscaped open space with respect to buffering non-compatible land uses are set forth in the specific land use zones of this By-law. Where zone standards include required landscaped buffers, no accessory use shall be permitted to locate within the required landscaped buffer.

In any Residential, Commercial, or Trade and Industry zone, any portion of any front yard which is not used for any other permitted use shall be exclusively devoted to landscaped open space.

Any land used for landscaped open space shall be included in the calculations of lot area, yard requirements, etc. as set forth in this By-law.

Where landscaping is required as a buffer, such landscaping shall be continuous except for lanes, driveways, aisles or walkways which provide access to the lot.

2.25 LOADING REQUIREMENTS

The owner or occupant of any lot, building or structure located in an Industrial or Commercial Zone which involves the frequent receiving, shipping, loading or unloading of goods, wares, merchandise or raw materials shall provide and maintain on the lot occupied by the building or structure, loading spaces in accordance with the following regulations:

NUMBER OF SPACES REQUIRED

The number of loading spaces provided shall be in accordance with the floor area of the building or structure as follows:

FLOOR AREA OF BUILDING	NUMBER OF LOADING SPACES
250 m ² or less	0
Exceeding 250 m ² but not 1,000 m ²	1
Exceeding 1,000 m ² but not 7,500 m ²	2
Exceeding 7,500 m ²	2 plus 1 space for each additional 7,500 m ² of floor area or fraction thereof in excess of 7,500 m ²

SIZE OF LOADING SPACE

Each loading space shall be at least 14 m long, 3.5 m wide and have a vertical clearance of 4.5 m.

LOCATION

The required loading spaces shall be provided on the lot occupied by the building or structure for which the spaces are required and such spaces shall not form part of any street or required parking area, and shall not be located within a required front yard or exterior side yard.

ACCESS

Access to loading spaces shall be by means of a driveway at least 3.5 m wide for one-way traffic and 6.0m wide for two-way traffic and located within the lot on which the loading spaces are located.

CUMULATIVE STANDARDS

Where there are two or more uses located on the same lot, the loading space requirements shall be the sum of the requirement for each use.

ADDITIONS TO BUILDINGS

The loading space requirements shall not apply to any building or structure in existence at the date of passing this By-law so long as the floor area, as it existed at such date, is not increased. If an addition is made to the building or structure which increases the floor area, then additional loading space shall be provided as required in the Table above for such addition.

2.26 LOTS DIVIDED INTO MORE THAN ONE ZONE

Where a lot is divided into more than one zone, each such portion of the lot shall be used in accordance with the provisions of this By-law for the zone where such portion of the lot is located. Each such portion of the lot shall not be considered as a separate lot for the purpose of determining zone provisions for the required setback, the most restrictive shall apply.

2.27 NON-CONFORMING AND NON-COMPLYING USES**CONTINUANCE OF EXISTING USES**

Nothing in this By-law shall apply to prevent the use of any land, building or structure for any purpose prohibited by the By-law if such land, building or structure was lawfully used for such purpose on the day of the passing of the By-law so long as it continues to be used for that purpose.

EXTENSION OR EXPANSION OF EXISTING USES

Where the use of any land, building or structure is prohibited under this By-law, such land, building or structure shall not be extended or enlarged except by amendment to this By-law or through a permission granted by the Committee of Adjustment and provided that such non-conforming use existed on the day of the passing of this By-law and continues to be used for such purposes.

PRIOR BUILDING PERMITS

Nothing in this By-law shall prevent the erection or use of any building or structure for which a building permit has been issued under the Building Code Act prior to the passing of this By-law, so long as the building or structure when erected is used and continues to be used for the purpose for which it was erected and provided the permit has not been revoked under the Building Code Act.

ROAD WIDENING

Nothing in this By-law shall prevent the use of any land, building or structure or the erection of any building or structure on a lot which does not comply to the minimum lot frontage and/or lot area and/or front yard setback and in the case of a corner lot, the side yard setback, as a result of a road widening taken by the Town of Hawkesbury, United Counties of Prescott and Russell or the Ministry of Transportation of Ontario, provided all other requirements of this By-law are complied with.

RECONSTRUCTION OR REPAIR OF EXISTING BUILDING

A building or structure being used for a legal non-conforming use may be reconstructed, renovated, repaired or strengthened to a safer condition where such building or structure was lawfully used for such purpose on the day of the passing of this By-law and continues to be used for such purpose, provided that the building or structure is constructed in conformity with the requirements of this By-law. Where such building or structure is also an existing legal non-conforming building or structure, the building or structure may be reconstructed, renovated, repaired or strengthened to a safer condition provided that the building or structure does not further reduce any zoning requirements.

ADDITION TO EXISTING BUILDING OR STRUCTURE

Nothing in this By-law shall prevent the renovation, extension or addition to a building, structure or private sanitary sewage disposal system which is used for a purpose specifically permitted within the zone in which such building or structure is located and which building or structure existed at the date of passing of this By-law but which building or structure does not comply with one or more of the zone requirements of this By-law, provided such renovation, extension or addition does not further reduce the requirements of this By-law or any requirements of Ministries or agencies.

EXISTING UNDERSIZED LOTS

Despite anything else contained in this By-law, where a vacant lot lawfully created having a lesser frontage and/or area than is required by this By-law is held under distinct and separate ownership from adjoining lots, according to the register for land in the Land Titles or Registry Office, on the date of the passing of this By-law, it may be used for a purpose permitted in the zone in which the said lot is located, provided it can be adequately serviced and that all other applicable provisions in this By-law are met.

ACCESSORY BUILDINGS

Nothing in this By-law shall prevent the erection of a building accessory to an existing non-conforming use provided that such accessory building complies with all relevant provisions of this By-law.

CHANGE IN USE

The non-conforming use of any land, building or structure shall not be changed except to a use which is in conformity with the provisions of the zone in which the land, building or structure is located, without a Zoning By-law Amendment or a Permission issued by the Committee of Adjustment.

NON-CONFORMING BY REASON OF METRIC CONVERSION

Existing lots, buildings and uses which cannot meet one or more metric standards in this By-law but which can meet the approximate value of the imperial equivalent standard shall not be deemed non-conforming for this reason only.

2.28 OCCUPANCY RESTRICTIONS

Human habitation shall not be permitted in any of the following buildings, structures, or parts thereof unless the building, structure, or parts thereof meet all requirements of the Fire Code, the Ontario Building Code and any other applicable regulations, policies, or Acts:

- Temporary buildings incidental to construction activities
- Any truck, bus, recreational vehicle, coach or streetcar body whether or not it is mounted on wheels.
- Any space that doesn't conform to the Ontario Building Code

2.29 OUTSIDE STORAGE, SALES AND DISPLAY

No person shall use any lot or part thereof for outside storage, sales or display except as permitted by this By-law and as an area which has

been specifically designed and set aside for such purpose, is fully integrated with the main use of the lot and is in accordance with the following:

- Outside storage shall not be permitted within any required front yard or exterior side yard and no closer than 5.0 m (16.4 ft.) to any side or rear lot line.
- Any areas used for outside storage shall be in addition to any minimum off-street parking or loading areas required by this By-law.

GARBAGE ENCLOSURES

A visual buffer of at least 1.2 m (3.9 ft.) tall must be provided around outdoor garbage enclosures.

Garbage enclosures are not to be located in any front yard or in the minimum exterior side yard.

Garbage enclosures shall be located in such a way so as to be easily serviceable.

Garbage enclosures are to be set back a minimum distance of 7.5 m (24.6 ft.) from any property line adjacent to a residential zone.

2.30 PARKING AND STORAGE OF VEHICLE

Except as provided herein, no vehicles shall be parked or stored in a zone in which residential uses are permitted unless the vehicle is located within a garage, carport, driveway, designated parking area or on a street as permitted by Municipal By-law.

No parking space in a zone in which residential uses are permitted shall be used for the outdoor parking or storage of a motor vehicle unless such vehicle is used in operations incidental to the main permitted use of the lot on which it is parked or stored and bears a motor vehicle license plate or sticker which is currently valid.

1. VEHICLES

No parking is allowed within the landscaped or lawned area. Commercial vehicles shall not be parked within any Residential Zone except for the

purpose of delivery of goods, wares and merchandise where delivery is carried on in the ordinary course of business.

2. RECREATIONAL VEHICLES

The parking and or storage of recreational vehicles or trailers in residential zones is prohibited unless such recreational vehicle or trailer is parked or stored within a residential garage or is placed in an interior or rear yard in such a manner as 80% of the recreational vehicle or trailer is screened from view.

3. PARKING SPACE DIMENSIONS AND CONFIGURATION

Each standard parking space shall have a minimum width of 2.75 m (9.0 ft.) and a minimum length of 5.75m (18.8 ft.). Each barrier-free parking space shall have a minimum width of 3.0 m (9.8 ft.) and a minimum length of 6.0 m (19.7 ft.) and shall provide for an aisle of 1.5 metres (4.9 feet) in between each barrier-free parking space. In residential areas where parking lots are not required, parking spaces may be configured one behind the other or side by side.

4. CUMULATIVE STANDARDS

Unless permitted elsewhere in this By-law, where two or more uses are permitted in any one building or on any one lot, then the off-street parking requirements for each use shall be calculated as if each use is a separate use, and the total number of off-street parking spaces so calculated shall be provided.

When a building or structure has, at the time of the passing of this By-law, insufficient parking to comply with the requirements herein, this By-law shall not be interpreted to require that the deficiency be made up prior to the construction of any addition, change of use, or replacement in whole or in part, of any such building or structure. However, no addition, change of use or replacement may occur, the effect of which would be an increase in that deficiency.

5. INGRESS AND EGRESS

- 1) Ingress and egress, to and from the required parking spaces and lot, shall be provided by means of unobstructed driveways or passageways at least 3 m., but not more than 9 m., excluding curb ramps, except in a Residential zone wherein the maximum width of all driveways or passageways on the lot shall be 9 m or 60% of the width of the lot, whichever is less. In the Industrial zones, the maximum width of the driveways on the lot, shall be 12 m.
- 2) The maximum width of any joint ingress and egress driveway ramp measured along the street line shall be 9 m., excluding curb ramps.
- 3) The minimum distance between a driveway and an intersection of street lines measured along the street line intersected by such a driveway, shall be 7 m., except for automobile service stations, gas bars and retail propane/compressed natural gas transfer facilities where the minimum shall be 4.5 m.
- 4) The minimum distance between two separate driveways on one lot, measured along the street line, shall be 7 m.
- 5) The minimum angle of intersection between a driveway and a street line shall be 60 degrees.

6. AISLE WIDTHS

Ingress and egress directly to and from every parking space shall be by means of a driveway, lane or aisle having a width of at least 6.0 m (19.7 ft.) for two-way traffic and 3.5 m (11.5 ft.) for one-way traffic.

A driveway or lane which does not provide ingress and egress directly to a parking space, shall have a minimum width of 3.5 m (11.5 ft.) where designed for one-way vehicular circulation or 6.0 m (19.7 ft.) where designed for two-way vehicular circulation.

7. BUFFERING OF PARKING LOT

- a) Where, in a yard in any zone, a parking area providing more than 4 parking spaces is closer than 6 m from a lot in a Residential zone, a fence at least 1.8 m in height shall be erected and maintained. The land between the fence and the parking area shall be landscaped with planting material and shall be maintained in a healthy growing condition.
- b) Where, in a yard in any zone, a parking area providing more than 4 parking spaces is closer than 3 m from a street line, a strip of landscaped open space a minimum width of 1.5 m shall be provided along the lot line abutting the street and shall be continuous except for aisles and driveways required for access to the parking area. A planting strip referred to in this subsection may form part of any landscaped open space required by this By-law.

8. PARKING LOT AND DRIVEWAY SURFACE

Each parking lot and driveway connecting the parking lot with a street shall be surfaced with asphalt, concrete, interlocking pavers or similar hard surfaces. For residential properties the required surfacing shall be completed within one year following the issuance of the occupancy permit.

9. BARRIER FREE PARKING

One barrier-free parking space shall be provided for every 20 standard parking spaces or part thereof and shall be included in the total number of parking spaces required under the Table for Parking Requirements.

10. LOCATION AND NUMBER OF SPACES

The required parking for residential uses shall be provided on the same lot as the dwelling unit. In all other zones, parking shall be provided within 100 m (328 ft.) of the building or lot it is intended to serve, subject to an agreement, deed or renewable lease which provides for same.

All parking lots containing more than four (4) parking spaces shall be located to have a minimum distance of 1.5m to any street and lot line.

In the event that the calculation of the minimum parking space requirement results in a fraction, the minimum requirement shall be the next higher whole number.

Since the Town does not own any public parking area it is suggested that the reductions in parking are to be achieved through minor variances or Zoning By-law amendment.

TABLE FOR PARKING REQUIREMENTS (SECTION 2.30.10)

In any zone, the owner or occupant of any building or structure erected, enlarged or changed in use after the date of passing of this By-law shall provide off-street parking in accordance with the following provisions:

- The minimum dimensions for each space intended for bicycles must be 0.6 m in width and 1.8m in length with a 1.2m clear access aisle and 1.2m vertical clearance;
- Bicycle spaces shall be secured by a locked door or shall include a securely anchored rack to which the bicycle frame and one wheel can be locked.
- Bicycle parking stalls shall be located close to major building entrances.
- The minimum dimensions for each space intended for motorcycles or similar vehicles must be 1.0 m in width and 2.1m in length;

Motorcycle parking can be located in areas which may be unsuitable for vehicle parking due to size or shape and not intended for pedestrian traffic, however the parking must be clearly delineated by markings and barriers.

2.32 QUEUING SPACE REQUIRED

Where any of the uses permitted by this By-law offer drive-through service, off-street vehicle queuing spaces leading to and from the drive-through service must be provided in accordance with the following table:

TYPE OF USE	QUEUING SPACES
Bank or Bank Machine	3 spaces
Car Wash Conveyor Type	6 spaces
Car Wash Automatic Type	6 spaces
Car Wash Manual Type	4 spaces
Gas Bar	3 spaces per pump island

QUEUING SPACE STANDARDS

1. All queuing spaces must be 2.75 metres (9.0 feet) in width by 6 metres (19.7 feet) in length.
2. All queuing spaces must be separated by at least 3 metres (9.8 feet) from any residential use. Any yard abutting a residential use must be screened by solid fencing at least 1.5 metres (4.9 feet) in height.

2.33 PARKING AREA LOCATION

Parking shall be permitted in yards in accordance with the following table, except as otherwise required for landscaped open space pursuant to the provisions of Section 2.29 Buffering of Parking Lot.

TYPE OF USE	YARD IN WHICH REQUIRED PARKING ARE PERMITTED
1. Apartment Dwelling	All yards, except in the required front yard, provided no driveway and no parking spaces shall be located within 6 m respectively of a wall containing habitable room window, and provided that where a dwelling house requires 4 or more parking spaces such spaces are no closer than 1.5 m to any lot line.
2. Other Residential	All yards, except in the required front yard, wherein a driveway may be located provided no parking spaces and no driveways shall be located within 6 m of a wall containing habitable room window, unless the parking spaces and/or driveways are reserved for the exclusive use of the occupants of the dwelling unit containing the habitable room window, and provided that where 4 or more required parking spaces are to be located together such spaces are no closer than 1.5 m to any lot line. (Town of Hawkesbury By-law 85-95, August 1, 1995)
3. Single Detached Dwelling House	All yards.
4. Group Housing	Parking shall be located in relation to each dwelling house as though each dwelling house is located on a separate lot in accordance with the requirements contained in this table. (Town of Hawkesbury By-law 85-95, August 1, 1995)
5. Open Space, Commercial	All yards, provided that no part of any parking area, other than a driveway, is located closer than 1.5 m to any street line.
6. Industrial, Institutional	Interior side and rear yards only, except for visitor parking covering not more than 20% of the front yard area, provided that no part of any parking area, other than a driveway, is located closer than 1.5 m to any street line.

2.34 PERMITTED PROJECTIONS

Every part of any yard required by this By-law shall be open and unobstructed by any structure from the ground to the sky except that those structures listed in the following table shall be permitted to project into the minimum yards required by this By-law for the following specified distances:

STRUCTURE	MAXIMUM PROJECTION INTO REQUIRED YARD
Chimney breasts, cornices, sills, bay windows, pilasters, eaves or gutters	0.50 m (1.64 ft.) into any required yard
Canopies which are at least 2.13 m (7 ft.) in vertical clearance above the established grade, with or without supporting posts	2.0 m (6.5 ft.) into any required yard
Canopies for entrances to apartment buildings and commercial buildings	Despite any other provisions in this By-law, a canopy or portico over a major entrance to an apartment building or commercial building may project into the required yard a distance equal to one-half (1/2) the setback of the building from the street line
Air conditioners	1.0 m (3.28 ft.) into any rear yard or exterior side yard
Window awnings	1.2 m (3.9 ft.) into any required yard
Steps, ramps for use by handicapped, and walkways	No maximum into any required yard
Unenclosed porch, patio, balconies or steps	No maximum into any side yard and the lesser of 50% of the required front or rear yard or 3 metres.

2.35 PRIVATE SWIMMING POOLS

Private swimming pools, above-ground and in-ground, outdoor and indoor, shall be permitted subject to any By-law of the Town regarding swimming pools and the following requirements:

OUTDOOR POOLS

Any building or structure, other than a dwelling, required for changing clothing or pumping, filtering or storage or any similar purposes shall comply with the provisions respecting accessory uses and structures.

No part of an outdoor pool including an associated apron or platform which is in an external side yard shall be constructed closer to a street line than the setback requirements in the zone within which it is located nor closer to the lot line in a rear yard than the minimum distance required for an accessory use or structure. Notwithstanding the above, in the event there is an electric power line on the subject property, the required set back of said power line shall meet the requirements of the Hydro Authority and TSSA.

Outdoor pools shall have a setback minimum of 2 metres from the main building on a lot.

INDOOR POOLS

Indoor pools which are not an integral part of a dwelling unit or part of a municipal or private recreational facility shall conform with the accessory building requirements contained in subsection 3.1.

2.36 PROHIBITED USES

Except as otherwise specifically permitted in this By-law, no land shall be used and no building or structure shall be erected, altered or used for any purpose that creates or is likely to become a nuisance or offensive, or both, to an adjacent property holder or to the general public.

Uses which are not specifically identified as a permitted use in a zone shall not be permitted.

Facilities for the housing and care of livestock are a prohibited use.

2.37 PROVISIONS FOR THE HANDLING AND TRANSFER OF PROPANE AND NATURAL GAS

Facilities relating to the handling and transfer of propane and natural gas, including tanks and associated compressors, pumps and other similar facilities shall not be located in any required front, side, exterior side or rear yard. All facilities must be setback a minimum of 30 metres (98.4 feet) from any residential use.

Notwithstanding the above the 30 metre (98.4 feet) setback from residential uses may be reduced in accordance with the findings and recommendations of a Noise Impact Assessment Study prepared by a qualified professional that there will be no adverse impact to residential uses and provided that a minimum six metre (19.6 feet) setback is maintained.

No person shall erect or use a tank for the storage of propane for sale at an automobile service station or gas bar or on any other property where vehicle fuel may be dispensed unless a license has been obtained from the TSSA and the location is in compliance with the requirements under the Ontario Propane Code.

2.38 PUBLIC USES

Any land may be used and any building or structure may be erected or used for the purpose of a public service by the Corporation or by local Boards, Commissions or Committees thereof, any department or agent of the United Counties of Prescott and Russell or the Government of Ontario or Canada, including Hydro One Networks Inc., provided that:

1. The lot coverage, setback and yard requirements prescribed for the zone in which such land, building or structure is located shall be complied with, except for transmission facilities for gas, telephone, cable and electric power (i.e. poles, towers, lines and similar elements);
2. No goods, material, or equipment shall be stored in the open except where allowed in a specific zone.
3. Any building or structure erected in a Residential Zone under the authority this By-law shall be designed and maintained in general harmony with the residential buildings of the type permitted in the zone.
4. Parking and loading requirements as contained in this By-law shall be complied with.

2.39 SECONDARY DWELLING UNITS

- a) Secondary dwelling units are permitted in any detached, semi-detached or row dwelling, in any zone that permits any one or more of these dwelling types provided:
 - i. It does not change the streetscape character along the road on which it is located.
 - ii. It may be located in the principal building or an ancillary structure, but not both, provided that it is clearly secondary to the principal dwelling unit and is not capable of being severed from the lot.

- iii. It must be located on the same lot as its principal dwelling unit.
- b) Where an attached garage is converted to create the secondary dwelling unit or a portion of the secondary dwelling unit, such attached garage is included in the calculation of the gross floor area of the dwelling.
- c) The creation of a secondary dwelling unit must not result in any new doorway entrance added to the front wall, whether before, during or after the creation of the secondary dwelling unit.
- d) Subsection c) does not:
 - i. Prohibit an internal lobby or vestibule with a common doorway entrance in the front wall; nor
 - ii. Prohibit the creation of a secondary dwelling unit within a dwelling unit that already contains more than one doorway entrance in the front wall; nor
 - iii. Require the removal of a doorway entrance to a house that already contains more than one doorway entrance in the front wall; nor
 - iv. Prohibit the addition of one doorway entrance along the front wall of a dwelling unit on a corner lot where there is no doorway entrance along that front wall, but where there is one along the exterior side wall of the dwelling unit.
- e) The principal and secondary dwelling unit must share the parking area and yards provided for the principal dwelling unit, and no new driveway may be created, except in the case of corner lots.
- f) Secondary dwelling units are not permitted in natural hazard areas, such as floodplains as identified in the Zoning Maps, or within a 30 metre setback from a watercourse.

2.40 ROOMING OR BOARDING HOUSES

Rooming or boarding houses are not permitted within any zone within the Town of Hawkesbury.

2.41 SETBACK FROM WATERCOURSE

A setback of 120 metres (393.7 feet) is required from a watercourse for all development except where it can be demonstrated through an Environmental Impact Study (EIS) prepared by a qualified professional that there will be no adverse impacts to the watercourse, the 120 metres (393.7 feet) setback may be reduced in accordance with the recommendations of the EIS.

SHORELINE ACCESSORY STRUCTURES

The following shoreline accessory structures are permitted within the 120 metres (393.7 feet) setback:

- Boathouse to a maximum length of 8 metres (28.2 feet) and;
- Boatport to a maximum length of 8 metres (28.2 feet) and;
- Dock to a maximum length of 8 metres (28.2 feet) and;
- Stairs and landings, provided that the landings do not exceed the width of the stairs they serve and are not greater in width than 2.5 metres (8.2 feet) and;
- Shed not exceeding 10 square metres (107 square feet).

YARD EXCEPTIONS FOR WATER BODIES, WATERCOURSES, EMBANKMENTS AND CLIFFS

Where in this By-law a front, side or rear yard is required, and part of the area of the lot is usually covered by water or marsh, or is beyond the edge of a water body or watercourse, or between the top and toe of a cliff or embankment having a slope of 30 degrees or

more from the horizontal, then the required yard shall be measured from the nearest main wall of the main building or structure on the lot to the edge of said area covered by water or marsh, or to the edge of said water body or watercourse, or to the top of the said cliff or embankment if such area is closer than the lot line.

2.42 SITE ALTERATION OR VEGETATION REMOVAL – WATERFRONTS LOTS

The following provisions shall apply to development proposed on lots fronting on a watercourse:

1. All development proposed on lands with frontage on a watercourse are required to submit a landscape plan that identifies vegetation within 30 metres (98.4 feet) of the watercourse.
2. Notwithstanding the foregoing, if the proposed development can demonstrate no adverse impact to the watercourse by means of an Environmental Impact Statement (EIS) undertaken by a professional qualified to perform the evaluation, the standards outlined above may be reduced in accordance with the report's recommendations.

2.43 SIGHT TRIANGLE

Notwithstanding any provisions of this By-law to the contrary, within any area defined as sight triangle, the following uses shall be prohibited:

- A building, structure or use which would obstruct the vision of drivers of motor vehicles including the storage of any materials or goods including trailers and recreational vehicles.
- A fence or tree, hedge, bush or other vegetation, the top of which exceeds 1.0 metre in height above the elevation of the centrelines of abutting streets.

- A parking area.
- A finished grade which exceeds the elevation of the centrelines of abutting streets by more than 0.5 metres.

SIGHT DISTANCE

For the purpose of this By-law, the following sight distance shall apply:

- 4.5 metres (14.7 ft.) in all residential zones
- 6 metres (19.7 ft.) in all other zones

The Planning Department has the authority to modify the required sight distance during the planning approvals process.

2.44 SPECIAL SETBACKS

No person shall use any land, building or structure for a sensitive use (e.g. residential use, daycare centre, educational or health facility) unless it complies with the following minimum distance separations, influence areas or special setbacks distances. Influences areas or setbacks shall be measured as set out in the following:

SETBACKS FROM SLOPES

Where any lot is adjacent to or traversed by an Unstable Slope as shown on Schedule B of the Town of Hawkesbury Official Plan. Any building or structure to be erected thereon, (including a swimming pool or underground structure) shall be set back from the top of the slope a minimum of 15 metres.

The minimum setback may be reduced or eliminated provided a geotechnical study conclusively demonstrates that the reduction or elimination of the setback will not result in an unsafe structure.

This provision does not apply to permitted marine facilities, marinas or transmission facilities for gas, telephone, cable or hydro or to flood control or slope stabilization structures.

INDUSTRIAL USES

The following setbacks shall apply to industrial land uses:

- Class I Industrial: The minimum separation distance from a sensitive land use (e.g. residential use, daycare centre, educational or health facility) shall be 70 m (230 ft.) measured from the property line of the industrial use which is closest to the main wall of the sensitive land use.
- Class II Industrial: The minimum separation distance for this industrial classification from a sensitive land use (e.g. residential use, daycare centre, educational or health facility) shall be 300 m (984 ft.) measured from the property line of the industrial use which is closest to the main wall of the sensitive land use.
- Class I, II, III separation distances may be reduced where it is demonstrated through a technical study prepared in accordance with current Ministry of the environment guidelines that a lesser separation distance is appropriate.

These setbacks may be modified according to the Ministry of Environment and Climate Change (MOECC) environmental approvals process. Please refer to MOECC document D-6 "Compatibility between Industrial Facilities."

SETBACKS FROM EASEMENTS

All buildings and structures shall be setback a minimum of 1.5 meters from existing hydro or drainage easements, with the exception for pools near hydro lines, the setbacks shall be 4.6m as per TSSA.

2.45 STORAGE / SHIPPING CONTAINERS

The use of a Storage / Shipping Container as an accessory use on a lot zoned for residential purposes is prohibited.

The use of a Storage / Shipping Container as an accessory use in a commercial or industrial zone may be permitted subject to the following provisions:

- The container shall be located in a rear yard or side yard in accordance with the setbacks for an accessory building;
- A building permit is required prior to the installation of the container
- Where containers located in a commercial zone are not screened from view, their external finish shall be similar to that of the main building;
- The use of a cube van box, a trailer or part of a vehicle as a storage container is prohibited;
- The temporary use of a storage container on a residential lot is permitted where such container is required for temporary storage during construction or renovation. In such cases a permit shall be required from the municipality;
- The Storage / Shipping container shall be included in any calculation of total lot coverage.
- Shall not be located adjacent to a residential unit or residential zone.

2.46 STREETS AND PARKS

In any zone established by this By-law, streets, walkways, recreational paths and parks are permitted.

2.47 TEMPORARY BUILDINGS OR STRUCTURES DURING CONSTRUCTION

Nothing in this By-law shall prevent the use of land or the use or erection of a temporary building or structure or a scaffold or other equipment essential to the construction in progress for which a building permit has been granted, but only until such time as the work has

been finished or abandoned or such equipment is no longer required.

In addition, temporary accommodation for a business or other use which is intended to occupy a building which is under construction with the work in progress on such building, may be temporarily permitted on the same lot in the form of a mobile, re-locatable, portable or transportable building provided that:

1. Approval is obtained pursuant to the matters contained herein; and
2. Such temporary accommodation is removed from the lot immediately upon completion of construction, abandonment of construction or at such time as in the opinion of the Town it is no longer required.

2.48 TEMPORARY USE ZONES

Where the zone symbol zoning certain lands as shown on Schedule A is followed by the suffix 'T' (for example RD1T), a use or uses in addition to the uses permitted in the zone in which the lands are located shall be permitted for a specified period of time following which the use or uses shall cease. Temporary uses shall only be permitted by an Amendment to this By-law where the temporary use is in conformity with the Official Plan. The amending By-law shall include the following provisions:

- a description of the lands on which the temporary use or uses is/are permitted including the municipal address where appropriate.
- a list of the permitted temporary use or uses.
- specification of the time period for which the temporary use or uses is/are permitted including the date on which the use or uses is/are to cease, on which date the Amendment shall be deemed to be repealed and the temporary use(s) no longer permitted.

- A description of any conditions which apply to the temporary use or uses.

2.49 WATER AND SEWAGE DISPOSAL SYSTEMS

Future development shall proceed on the basis of municipal water and sewers and storm drainage except as otherwise indicated herein. Full municipal services means piped sewage and water services that are connected to a centralized water and waste water treatment facility. Calculations for the uncommitted reserve capacity of water and sewer systems will be required, where necessary, to determine the capacity of services to support new development.

No person shall hereafter erect or use in whole or in part, any building or structure for any residential, commercial or industrial purposes on any land unless the use, building or structure is properly connected to an approved water supply and sewage disposal system and the applicant possesses a valid Certificate of Approval.

Notwithstanding the foregoing, the Town may consider permitting alternative servicing for specific properties where such properties have been identified in the Official Plan. This will only be considered in isolated cases where full municipal services cannot be extended due to technical reasons. Alternative servicing may include individual on-site systems or communal services.

3.0 ZONES

For the purposes of this By-law, the Town of Hawkesbury is divided into the following zones as named and described in the following sections, the boundaries of which are shown on Schedule "A" which is attached and forms part of this By-law.

ZONE NAME OR TYPOLOGY	ZONE SYMBOL
3.1 Residential Typologies	3.1.1 Dwelling – Apartment
	3.1.2 Dwelling – Converted
	3.1.3 Dwelling – Duplex
	3.1.4 Dwelling – Semi-Detached
	3.1.5 Dwelling – Single Detached
	3.1.6 Dwelling – Townhouse (Street)
	3.1.7 Dwelling – Townhouse (Planned Unit)
	3.1.8 Dwelling – Triplex and Quadruplex
3.2 Residential Zones	3.2.1 Residential Zone 1 R1
	3.2.2 Residential Zone 2 R2
	3.2.3 Residential Zone 3 R3
	3.2.4 Residential Zone 4 R4
3.3 Future Development Zone	D
3.4 Waterfront Zone	W
3.5 Trade and Industry Zones	3.5.1 Trade and Industry Zone 1 E1
	3.5.2 Trade and Industry Zone 2 E2
3.6 Commercial Zones	3.6.1 Community Core Commercial CC
	3.6.2 Regional Commercial RC
	3.6.3 Highway Commercial HC
	3.6.4 Local Commercial LC
3.7 Open Space Zone	OS
3.8 Hazard Zone	H
3.9 Institutional Zone	I

When determining the boundary of any zone as shown on any Schedule forming part of this By-law, the following provisions shall apply:

- a) A boundary indicated as following a highway, street or lane shall be the centre line of such highway, street or lane;
- b) A boundary indicated as following a watercourse, creek, stream or the right-of-way of a railway or an electrical, gas or oil transmission line shall be the centre line of such watercourse, creek, stream or right-of-way;
- c) A boundary indicated as following the shoreline shall follow such shoreline, and in the event of a change in the shoreline, the boundary shall be construed as moving with the actual shoreline;
- d) A boundary indicated as approximately following lot lines shown on a Registered Plan of Subdivision, or Reference Plan, or Town lot lines shall follow such lot lines.

Where a boundary is indicated as approximately parallel to a street line or other feature, indicated in clause (a), (b), and (c) above, and the distance from such street line or other feature is not indicated, and clause (d) above is not applicable, such boundary shall be construed as being parallel to such street line or other feature, and the distance there from shall be determined according to the scale shown on the appropriate Schedule.

A boundary indicated as following the limits of the Municipality shall follow such limits.

In the event a dedicated street, lane or right-of-way shown on any Schedule forming part of this By-law is closed, the property formerly in such street, lane or right-of-way shall be included within the zone of the adjoining property on either side of such closed street, lane or right-of-way.

If a closed street, lane or right-of-way is the boundary between two or more different zones the new zone boundaries shall be the former centre line of the closed street, lane or right-of-way.

3.2 RESIDENTIAL ZONES

3.2.1 RESIDENTIAL ONE ZONE (R1)

No person shall hereafter use any lands, nor erect, alter, enlarge or use any building or structure in a Residential One (R1) zone except in accordance with the provisions of this Section and of any other relevant Sections of this By-law.

PURPOSE

The intent of the Residential One (R1) zone is to restrict the building form to detached dwellings so as to regulate development in a manner that is compatible with existing land use patterns, and to maintain and enhance the residential character of the area. The intent is also to permit limited ancillary uses to the principal residential use to allow residents to work at home and maintain a secondary dwelling unit.

PERMITTED USES

RESIDENTIAL	PROVISIONS
Dwelling – Single Detached	Section 3.1.5
Home Occupation	Section 2.21
Secondary Dwelling Unit	Section 2.39
NON-RESIDENTIAL	
Community Garden	
Park	
Accessory Uses	Section 2.1

NOTES AND ADDITIONAL PROVISIONS:

1. A community garden or a park is not subject to the minimum lot area and minimum width provisions of the above table.

3.2.2 RESIDENTIAL TWO ZONE (R2)

No person shall hereafter use any lands, nor erect, alter, enlarge or use any building or structure in a Residential Two (R2) zone except in accordance with the provisions of this Section and of any other relevant Sections of this By-law.

PURPOSE

The intent of the Residential Two (R2) zone is to permit a land use pattern that maintains the overall residential character of the neighbourhood while allowing additional housing choices which contribute to a greater built form density than the R1 zone. The R2 zone permits the same dwelling types as the R1 zone, in addition to semi-detached and duplex dwellings.

PERMITTED USES

RESIDENTIAL	PROVISIONS
Dwelling – Single Detached	Section 3.1.5
Dwelling – Duplex	Section 3.1.3
Dwelling – Semi-Detached	Section 3.1.4
Secondary Dwelling Unit	Section 2.39
Home Occupation	Section 2.20
NON-RESIDENTIAL	
Community garden	
Park	
Accessory Uses	Section 2.1

NOTES AND ADDITIONAL PROVISIONS:

1. A community garden or a park is not subject to the minimum lot area and minimum lot frontage provisions of the above table. However, any development on such lands will be subject to the other provisions for a detached dwelling.

3.2.3 RESIDENTIAL THREE ZONE (R3)

No person shall hereafter use any lands, nor erect, alter, enlarge or use any building or structure in a Residential Three (R3) zone except in accordance with the provisions of this Section and of any other relevant Sections of this By-law.

PURPOSE

The intent of the Residential Three (R3) is to permit a wide range of dwelling types to provide additional housing choices in primarily newly developing areas of the Town of Hawkesbury. The R3 zone establishes a built form and land use fabric that is significantly denser than the R1 or R2 zones, introducing townhouses, triplexes and quadruplexes.

PERMITTED USES

RESIDENTIAL	PROVISIONS
Dwelling – Converted	Section 3.1.2
Dwelling – Duplex	Section 3.1.3
Dwelling – Semi-detached	Section 3.1.4
Dwelling – Triplex / Quadruplex	Section 3.1.8
Dwelling – Townhouse, Street	Section 3.1.6
Dwelling – Townhouse, Planned Unit	Section 3.1.7
Home Occupation	Section 2.21
Secondary Dwelling Unit	Section 2.39
Bed and Breakfast	Standards shall be as required for Dwelling – Single Detached and in accordance with relevant provisions of Section 3.1
NON-RESIDENTIAL	
Community garden	
Park	
Accessory Uses	Section 2.1

NOTES AND ADDITIONAL PROVISIONS:

1. All uses in Residential Three Zone (R3) Uses shall be subject to site plan control with the exception of accessory uses and secondary dwelling units.

3.2.4 RESIDENTIAL FOUR ZONE (R4)

No person shall hereafter use any lands, nor erect, alter, enlarge or use any building or structure in a Residential Four (R4) zone except in accordance with the provisions of this Section and of any other relevant Sections of this By-law.

PURPOSE

The intent of the Residential Four (R4) zone is to permit a range of higher-density dwelling types of in areas capable of accommodating this type of development. New low-density housing types, such as single detached and semi-detached dwellings, are permitted only as per the provisions below. The R4 zone is expected to accommodate most of the higher-density growth in the Town of Hawkesbury.

PERMITTED USES

RESIDENTIAL	PROVISIONS
Dwelling – Single Detached	Section 3.1.5
Dwelling – Semi-detached	Section 3.1.4
Dwelling – Converted	Section 3.1.2
Dwelling – Duplex	Section 3.1.3
Dwelling – Triplex / Quadruplex	Section 3.1.8
Dwelling - Townhouse, Street	Section 3.1.6
Dwelling – Townhouse, Planned Unit	Section 3.1.7
Dwelling – Apartments	Section 3.1.1
Secondary Dwelling Unit	Section 2.39
Home Occupation	Section 2.21
NON-RESIDENTIAL	
Community garden	
Park	
Accessory Uses	Section 2.1

NOTES AND ADDITIONAL PROVISIONS:

1. Infill development shall be permitted provided that the proposed residential development is of the same type (i.e. single detached, semi-detached etc.) as existing development located on lots immediately adjacent to the vacant lot to be developed. Where the type of dwelling units vary, infill shall proceed on the basis of existing development located on adjacent lots which have the same road access as the vacant lot. Where the type of residential development varies on adjacent lots with the same road access, development may proceed on the basis of the higher density existing development. For example if the vacant lot is adjacent to a single detached dwelling on one side and a semi-detached dwelling on the other, the vacant lot may be developed with a semi-detached dwelling.
2. Planned unit townhouse dwellings and apartment dwellings shall be located only on arterial or collector roads.
3. Street townhouse dwellings are permitted on an arterial or collector road provided that access to the collector or arterial is provided through a single common access.

3.3 FUTURE DEVELOPMENT ZONE (D)

No person shall hereafter use any lands, nor erect, alter, enlarge or use any building or structure in a Future Development (D) zone except in accordance with the provisions of this Section and of any other relevant Sections of this By-law.

DESCRIPTION	ZONE PROVISIONS	D
The intent of the Future Development (D) zone is to recognize lands intended for future urban development that will accommodate growth in the Town of Hawkesbury. Existing uses in the D zone are subject to the provisions below.	Frontage (min)	Existing
	Lot Area (min)	Existing

3.4 WATERFRONT ZONE (W)

No person shall hereafter use any lands, nor erect, alter, enlarge or use any building or structure in a Waterfront Zone (W) except in accordance with the provisions of this Section and of any other relevant Sections of this By-law.

DESCRIPTION	ZONE PROVISIONS	W
The intent of the Waterfront (W) zone is to regulate existing uses located along the waterfront of the Town of Hawkesbury. Waterfront areas are generally environmentally sensitive and may require additional studies, including Environmental Impact Statements (EIS), for new development to proceed or for modifications to existing buildings and uses. 3.5.1 TRADE AND INDUSTRY ONE ZONE (E1)

No person shall hereafter use any lands, nor erect, alter, enlarge or use any building or structure in a Trade and Industry One Zone (E1) except in accordance with the provisions of this Section and of any other relevant Sections of this By-law.

DESCRIPTION	ZONE PROVISIONS	E1
The Trade and Industry One (E1) zone is intended to accommodate a wide range of service and business uses to support employment and drive economic development in the Town of Hawkesbury. These uses are generally smaller-scale uses which operate in a business park environment.	Frontage (min)	30 m
	Lot Area (min)	No minimum
	Setbacks (min)	Where abutting Residential Zones
